Just got back from being all recapped, aligned, and gone completely thru.
works like new now, and sounds great (i use 500 ohm speaker, i prefer thier
sound)
inside looks almost new, no corrossion, cabinet considering it's age, has a
few minor marks, but the overall (I decided not to have it redone, as it's
not that bad.) appearence is " god, this thing looks almost new".
Make me an offer + shipping
